IMPORTANT CHANGES TO LPL'S INSURED CASH ACCOUNT SWEEP PROGRAM

If your account is enrolled in the Insured Cash Account (ICA) program, please be advised that LPL is updating how a household balance is calculated to determine your applicable interest rate tier under the ICA program. We will also be updating our household balance tier ranges and corresponding interest rates. Effective August 7, 2026, the interest rates you receive will be defined using tiers based on cash balances in the ICA program that you hold in linked eligible accounts in your household. For purposes of the ICA program, eligible accounts in your household means eligible accounts of all persons at the same legal address, based on account registration and subject to certain restrictions. LPL will determine your household ICA balance each day. Other assets, such as securities and other cash equivalents, will no longer be included in this calculation. Depending on the composition (and holdings) of your eligible household accounts, this change may impact your household ICA balance tier, which will affect the interest rate applied to your ICA deposit account balances. Households with significant aggregate assets and low ICA cash balances can generally expect a reduction in their ICA interest rate based on the tier changes; actual financial impact will depend on a number of factors, including eligible accounts linked in the household, ICA deposit account balances, applicable interest rate tiers and rates and holding periods. LPL is making this change to better align its products and services competitively. LPL may benefit from this change and has a conflict of interest in requesting your consent to it. Customers utilizing their LPL accounts and the ICA program after the change takes effect are deemed to have consented to this change. If you have questions about how this change may affect your account, please contact your LPL financial professional. The ICA Disclosure Booklet will be updated to reflect this change, along with clarifications on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change, among other updates. The updated Disclosure Booklet will be available at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html> on August 7, 2026.

IMPORTANT CHANGES TO LPL'S DEPOSIT CASH ACCOUNT SWEEP PROGRAM

Effective August 7, 2026, LPL is updating the Deposit Cash Account ("DCA") Disclosure Booklet to, among other things, clarify existing information on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change. Please review the updated Disclosure Booklet, available on August 7, 2026, by visiting LPL's website at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html>. If you have any questions, please contact your LPL financial professional.

PAYMENT FOR ORDER FLOW

LPL Financial acts as your agent and does not receive any compensation in the form of payment for order flow.

ORDER ROUTING INFORMATION

In accordance with SEC Rule 606, LPL makes available information on order routing at www.LPL.com/disclosures/sec-disclosures.html. Upon request, LPL will also provide a customer a written copy of that disclosure along with specific details on orders in NMS stocks that are submitted on a held basis, orders in NMS stocks that are submitted on a not held basis, and for orders in NMS securities that are option contracts. As required by the Rule, LPL will provide the identity of the venue to which the orders were routed for execution for the six months prior to the request, whether the orders were directed or non-directed orders, and the time of any transactions that resulted from such orders.

CALLED SECURITIES

In the event of a partial call of corporate or municipal bonds, or preferred stock held in bulk segregation, the securities to be called will automatically be selected on a random basis, as is customary in the securities industry. The probability that your securities will be selected is proportional to the amount of your holdings relative to the bulk holdings. A detailed description of the random selection procedure is available at LPL.com > Disclosures > Market & Trading Disclosures > Call Securities Lottery Disclosure, and is also available upon request.

IMPORTANT INFORMATION ABOUT PURCHASE COST AND INVESTMENT GAIN/LOSS

When Purchase Cost is shown on an account it equals the Cost Basis of Equities and Mutual Funds acquired since your account was established with LPL, less any reinvested dividends and interest. The associated Investment Gain/Loss equals the current market value of all shares owned less the purchase cost.

POLICY FOR BENEFICIARY ACCOUNTS

Beneficiaries must open an account to receive any securities or cash from a deceased client's account. Please visit lpl.com > Disclosures > LPL Educational Resources > Financial Transfer Of Benefits Related To Death to learn more.

SETTLEMENT FEE

LPL Financial passes through certain regulatory fees incurred by LPL as a result of executing the transaction on your behalf. This includes fees charged under Section 31 of the Securities Exchange Act for sell transactions in equities and options. Effective April 6, 2026, the current fee rate applicable to these securities liquidation transactions on national securities exchanges and over-the-counter markets will change from \$0.00 per million dollars to \$20.60 per million dollars. These fees will be reflected on customer trade confirmations as "Settlement Fees".

NON-TRANSFERABLE SECURITIES THAT ARE WORTHLESS

As part of our continuing effort to provide exceptional service, please be advised that LPL Financial will remove any non-transferable securities that are worthless from customer accounts. Your account may or may not be affected. Should you have any questions or concerns, please contact your financial professional.

ESTIMATED ANNUAL INCOME (EAI) AND ESTIMATED YIELD (EY)

EAI is calculated by taking the indicated annualized dividend and multiplying by the number of shares owned. EY is calculated by taking the EAI and dividing by the aggregate value of the shares owned. If no dividend information is available, no EAI or EY numbers will be generated. EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. Additionally the actual dividend or yield may vary depending on the security issuer's approval of paying the dividends. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

DCA INFORMATION

Your balances in the Deposit Cash Account (DCA) program are allocated to any depository institution on the DCA Available Bank List in increments of up to \$249,000 for individual accounts until your balance in the DCA program reaches the maximum coverage provided through the program. As always, you should review your cash positions with various depository institutions to determine whether your cash is within the FDIC insurance coverage limits. For more information about the DCA program, please contact your financial professional or go to <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html>.

ADVISORY FEES

The Advisory Fees shown in this report reflect annualized fees charged for the entire year. Because of deposits and withdrawals, tiered fee schedules, pro-ration of fees for new and terminated accounts, changes to fee rates, and fee credits, the Advisory Fee amount shown in this report may be different than a simple calculation of the Fee Rate times the quarter end account value divided by 4.

Note that your financial professional and LPL share the Advisory Fee portion of the Account Fee.

NOTICE FOR RECENTLY OPENED OR CONVERTED ACCOUNTS

If you have recently opened a new advisory account or your account has recently converted to a new advisory program, your new fee rate information data may not be shown on your statement. This may include fees paid YTD, Advisory Fee rate, and Manager Fee rate. All applicable fees have been withdrawn, and the aggregate amount of such fees are shown under Fees/Expenses in the Cash Activity Summary. The fee rate information will be available on your next statement.

Definition of Investment Objectives and Risk Tolerance

The investment objectives are overall objectives for the entire account and may be inconsistent with a particular holding at any time. Achievement of the stated investment objective is a long-term goal for the account. These choices are listed in order from what's considered to be the least risk to the highest risk. There's no guarantee that the investment objective will be achieved.

Income with Capital Preservation – Emphasis is placed on current income and preventing capital loss. This is considered the lowest risk portfolio available and is generally for investors with the shortest time horizon.

Income with Moderate Growth – Emphasis is placed on current income with some focus on moderate capital growth.

Growth With Income – Emphasis is placed on modest capital growth. Certain assets are included to generate income and reduce overall volatility.

Growth – Emphasis is placed on achieving high long-term growth and capital appreciation. This is considered higher than average risk.

Aggressive Growth – Emphasis is placed on aggressive growth and maximum capital appreciation. This portfolio is considered to have the highest level of risk and is for investors with a longer time horizon.

Trading – Emphasis is placed on speculative transaction activity. This objective represents acceptance of an extremely high level of risk (not allowed in advisory accounts).

ACCOUNT PROTECTION LPL Financial is a member of the Securities Investor Protection Corporation (SIPC). SIPC provides protection for your account up to \$500,000, of which \$250,000 may be claims for cash, in the unlikely event that LPL fails financially. SIPC protection limits apply to all accounts that you hold in a particular capacity. For example, if you hold two accounts at LPL as a sole account holder and third as a joint account holder, the two individual accounts are protected under SIPC up to a combined limit of \$500,000, and the joint account is protected under SIPC separately up to \$500,000. LPL Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) are not protected by SIPC. Certain non-security investments including those listed in the Other Investments category are not protected by SIPC. To get more information on SIPC, including an explanatory brochure, call SIPC directly at (202) 371-8300 or go to www.sipc.org. The account protection applies when an SIPC member firm fails financially and is unable to meet its obligations to securities clients, but it does not protect against losses from the rise and fall in the market value of investments.

ACCOUNT TYPES For further information regarding the types of accounts available at LPL Financial and the differences between brokerage and advisory accounts, please visit lpl.com and go to Disclosures > Form CRS. Our goal is to ensure that you feel fully informed about the account options available to you.

ADJUSTED COST The cost basis of securities is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. Adjusted cost is used to calculate unrealized and realized gain or loss. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

ADJUSTMENTS TO OPTION CONTRACTS As a general rule, corporate actions can result in an adjustment in the number of shares underlying an options contract, the exercise price, or both. Please review any adjustment to an option position. Contact your financial professional for further information about option contract adjustment or visit the Options Clearing Corporation (OCC) website to view Information Memos at <https://infomemo.theocc.com/infomemo/search>.

LPL FINANCIAL LLC is an affiliate of LPL Financial Holdings Inc.

AGENCY If your broker-dealer acts as your agent, or as agent for both you and another person in a transaction, the transaction details, including the identity of the seller or buyer and the source and amount of any fees or payments will be supplied upon written request.

ASSET-BACKED SECURITIES The actual yield from transactions in asset-backed securities (e.g., CMO, FNMA, FHLMC or GNMAs transactions) may vary according to the rate at which the underlying assets or receivables are repaid. Information about yield factors is available from your financial professional on request.

CHANGE OF ADDRESS Please notify your financial professional or LPL Financial promptly in writing of any change of address.

CHANGES TO FINANCIAL SITUATION OR INVESTMENT OBJECTIVES Please contact your financial professional if there have been any changes to your financial situation or investment objectives, or if you wish to impose or modify any reasonable restrictions on the management of your account. Contacting your financial professional will ensure that you will continue to receive advice that is tailored to meet your needs.

COST BASIS For assets not purchased in the LPL account, you or the previous broker-dealer upon transfer may have provided the Date Acquired and Cost Basis of the position. If no such data was submitted, "N/A" is displayed. Liquidating transactions are automatically paired against holdings on a First In, First Out basis. Designating liquidations as "versus purchase" will cause the trade confirmation or other closed tax lot notification to reflect the selected closed tax lots. Since the cost basis on transferred securities may have been provided by another source, the cost basis information on your statement may not reflect accurate data or correspond to data on your trade confirmations. For accounts electing average cost, the total cost may be computed using a combination of averaged and non-averaged unit prices for eligible securities.

DISCREPANCIES Please notify both your financial professional and LPL Financial immediately of any discrepancies on your statement. If your financial professional is affiliated with another broker-dealer, you must notify them as well. Please see contact information on page 1 of this account statement. Additionally, any verbal communications should be reconfirmed in writing to each of the above parties to further protect your rights, including rights under the Securities Investor Protection Act.

FRACTIONAL SHARE LIQUIDATION For information on fractional share transactions, please refer to lpl.com > Disclosures > Market & Trading Disclosures > Fractional Share Transactions.

FREE CREDIT BALANCES LPL Financial may use your free credit balances subject to the limitations of 17 CFR Section 240.15c3-3 under the Securities Exchange Act of 1934. You have the right to receive from us, upon demand in the course of normal business, the delivery of any free credit balances to which you are entitled, any fully paid securities to which you are entitled, and any securities purchased on margin upon full payment of any indebtedness to LPL Financial. Balances in Client Cash Account are free credit balances.

INVESTMENT RISK LPL Financial is not a bank, savings and loan, or credit union. Securities and insurance offered through LPL and its affiliates are not FDIC, NCUA- or government-insured, not endorsed or guaranteed by LPL, its affiliates or any other financial institution, are not a deposit, and involve investment risk including possible loss of principal.

LPL INSURED BANK DEPOSIT SWEEP PROGRAMS Cash in the Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) programs is protected by the Federal Deposit Insurance Corporation (FDIC). LPL Financial allocates your money to the ICA program to banks in the order of the Priority Bank List, and to the DCA program to any bank on the Available Bank list, in increments up to the programs' disclosed amounts until your balance in each of the ICA and DCA programs is allocated to the program max. All banks are FDIC members. FDIC coverage is \$250,000 per depositor per bank (\$500,000 for joint account holders). More information on FDIC insurance is available on request, or by visiting www.fdic.gov. LPL Financial is not a bank. Unless otherwise disclosed, securities and other investments obtained through LPL Financial ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE.

MARGIN ACCOUNT If you use margin, this statement combines information about your investment account(s) and a special miscellaneous account maintained for you under Section 220.6 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the separate account required by Regulation T is available for your inspection upon request.

MONEY MARKET FUNDS Money market fund transactions, if any, are displayed chronologically. The 30-day yield for the fund is also reflected as of the statement date.

MUNICIPAL MATERIAL DISCLOSURE Copies of any material disclosures for municipal bonds are available in the Electronic Municipal Market Access (EMMA) system at www.emma.msrb.org. To obtain specific municipal bond information, enter the nine-digit CUSIP number in the search field in the EMMA site. If you do not have access to the internet or would prefer a physical copy of the material disclosure, please contact your financial professional. Additional municipal bond information that may be available on www.emma.msrb.org includes, but is not limited to, advance refunding documents, continuing disclosures including annual financial statements and notices of material events, real-time and historical trade data, daily market statistics, and education material.

N/A or "-" Data information that displays as N/A or "-" is missing or incomplete and is treated as zero when calculating totals.

OPTION CLIENTS Information on commissions and other charges incurred in connection with the execution of options transactions are included in the transaction confirmations provided to you. They are available upon request. Promptly advise your financial professional of any material change in your investment objectives or financial situation.

PRICING Prices shown should only be used as a general guide to portfolio value and may vary from actual liquidation value. We receive prices from various services, which are sometimes unable to provide timely information. Where pricing sources are not readily available, estimated prices may be generated by a matrix system or market driven-pricing model, taking various factors into consideration. Information that displays as N/A or "-" is missing or incomplete and is treated as zero when calculating totals.

PRINCIPAL If your broker-dealer is acting as principal in a transaction, your broker-dealer has sold to you or bought from you the security, and may have received a profit from the transaction.

PURCHASE COST The cost of assets purchased in the LPL account, excluding the cost of assets acquired by reinvested dividends and interest. The amount includes trade fees and commissions and excludes any accrued interest paid at purchase. The amount is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. For transferred securities, the amount could be the purchase amount or the adjusted cost amount you or the former institution provided to us. Transferred securities may not be included in Purchase Cost. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

REGULATION All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market-and its clearing house, if any where the transactions are executed, and of the Financial Industry Regulatory Authority (FINRA).

REINVESTMENT The dollar amount of mutual fund distributions, money market fund income, or dividends on other securities on your statement may have been reinvested in additional shares. You will not receive confirmations for these reinvestment transactions. However, you may request information on these transactions by writing to LPL Financial. LPL will also, if requested, furnish you with the time of execution and the name of the person from whom your security was purchased.

REVENUE SHARING LPL may have a fee arrangement with the investment advisor or distributor ("sponsor") of the mutual fund you have purchased, called revenue-sharing. In such case, the sponsor pays LPL a fee based on the amount of your purchase, and LPL provides marketing support to the sponsor and allows the sponsor to access your financial professional so that the sponsor can promote such mutual funds. This arrangement gives LPL a financial incentive to have LPL clients invest in participating mutual funds instead of funds whose sponsor do not make such payments to LPL. Although your financial professional does not share in this compensation, this conflict of interest affects the ability of LPL to provide you with unbiased, objective investment advice concerning the selection of mutual funds for your account. This could mean that other mutual funds, whose sponsors do not make revenue sharing payments, may be more appropriate for your account than the mutual funds whose sponsors make revenue sharing payments to LPL. For a complete list of the participating sponsors, and the range of fee payments, please visit lpl.com>Disclosures> Account Disclosures, Agreements, Fee Schedules & Conflicts of Interest>Third Party Compensation and Related Conflicts of Interest.

SWEEP OPTION Your account may provide for a daily sweep in an insured bank deposit sweep program-either LPL Insured Cash Account (ICA) or LPL Deposit Cash Account (DCA)-or a money market mutual fund. The balance in the ICA, DCA or money market mutual fund sweep may be liquidated on the customer's order and the proceeds returned to the securities account, or remitted to the customer. If you have any questions about your sweep option, including rates of the depository institutions currently participating in the sweep option, or you would like to change your sweep option, please contact your financial professional.

TRADING AWAY POLICY Additional information regarding trading practices of equity portfolio managers on Manager Select and Manager Access Select is available on lpl.com > Disclosures > Market & Trading Disclosures > Third-Party Portfolio Manager Trading Practices.

IMPORTANT CHANGES TO LPL'S INSURED CASH ACCOUNT SWEEP PROGRAM

If your account is enrolled in the Insured Cash Account (ICA) program, please be advised that LPL is updating how a household balance is calculated to determine your applicable interest rate tier under the ICA program. We will also be updating our household balance tier ranges and corresponding interest rates. Effective August 7, 2026, the interest rates you receive will be defined using tiers based on cash balances in the ICA program that you hold in linked eligible accounts in your household. For purposes of the ICA program, eligible accounts in your household means eligible accounts of all persons at the same legal address, based on account registration and subject to certain restrictions. LPL will determine your household ICA balance each day. Other assets, such as securities and other cash equivalents, will no longer be included in this calculation. Depending on the composition (and holdings) of your eligible household accounts, this change may impact your household ICA balance tier, which will affect the interest rate applied to your ICA deposit account balances. Households with significant aggregate assets and low ICA cash balances can generally expect a reduction in their ICA interest rate based on the tier changes; actual financial impact will depend on a number of factors, including eligible accounts linked in the household, ICA deposit account balances, applicable interest rate tiers and rates and holding periods. LPL is making this change to better align its products and services competitively. LPL may benefit from this change and has a conflict of interest in requesting your consent to it. Customers utilizing their LPL accounts and the ICA program after the change takes effect are deemed to have consented to this change. If you have questions about how this change may affect your account, please contact your LPL financial professional. The ICA Disclosure Booklet will be updated to reflect this change, along with clarifications on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change, among other updates. The updated Disclosure Booklet will be available at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html> on August 7, 2026.

IMPORTANT CHANGES TO LPL'S DEPOSIT CASH ACCOUNT SWEEP PROGRAM

Effective August 7, 2026, LPL is updating the Deposit Cash Account ("DCA") Disclosure Booklet to, among other things, clarify existing information on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change. Please review the updated Disclosure Booklet, available on August 7, 2026, by visiting LPL's website at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html>. If you have any questions, please contact your LPL financial professional.

ORDER ROUTING INFORMATION

In accordance with SEC Rule 606, LPL makes available information on order routing at www.LPL.com/disclosures/sec-disclosures.html. Upon request, LPL will also provide a customer a written copy of that disclosure along with specific details on orders in NMS stocks that are submitted on a held basis, orders in NMS stocks that are submitted on a not held basis, and for orders in NMS securities that are option contracts. As required by the Rule, LPL will provide the identity of the venue to which the orders were routed for execution for the six months prior to the request, whether the orders were directed or non-directed orders, and the time of any transactions that resulted from such orders.

CALLED SECURITIES

In the event of a partial call of corporate or municipal bonds, or preferred stock held in bulk segregation, the securities to be called will automatically be selected on a random basis, as is customary in the securities industry. The probability that your securities will be selected is proportional to the amount of your holdings relative to the bulk holdings. A detailed description of the random selection procedure is available at LPL.com > Disclosures > Market & Trading Disclosures > Call Securities Lottery Disclosure, and is also available upon request.

This includes fees charged under Section 31 of the Securities Exchange Act for sell transactions in equities and options. Effective April 6, 2026, the current fee rate applicable to these securities liquidation transactions on national securities exchanges and over-the-counter markets will change from \$0.00 per million dollars to \$20.60 per million dollars. These fees will be reflected on customer trade confirmations as "Settlement Fees".

NON-TRANSFERABLE SECURITIES THAT ARE WORTHLESS

As part of our continuing effort to provide exceptional service, please be advised that LPL Financial will remove any non-transferable securities that are worthless from customer accounts. Your account may or may not be affected. Should you have any questions or concerns, please contact your financial professional.

ESTIMATED ANNUAL INCOME (EAI) AND ESTIMATED YIELD (EY)

EAI is calculated by taking the indicated annualized dividend and multiplying by the number of shares owned. EY is calculated by taking the EAI and dividing by the aggregate value of the shares owned. If no dividend information is available, no EAI or EY numbers will be generated. EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. Additionally the actual dividend or yield may vary depending on the security issuer's approval of paying the dividends. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

DCA INFORMATION

Your balances in the Deposit Cash Account (DCA) program are allocated to any depository institution on the DCA Available Bank List in increments of up to \$249,000 for individual accounts until your balance in the DCA program reaches the maximum coverage provided through the program. As always, you should review your cash positions with various depository institutions to determine whether your cash is within the FDIC insurance coverage limits. For more information about the DCA program, please contact your financial professional or go to <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html>.

ADVISORY FEES

The Advisory Fees shown in this report reflect annualized fees charged for the entire year. Because of deposits and withdrawals, tiered fee schedules, pro-ration of fees for new and terminated accounts, changes to fee rates, and fee credits, the Advisory Fee amount shown in this report may be different than a simple calculation of the Fee Rate times the quarter end account value divided by 4.

NOTICE FOR RECENTLY OPENED OR CONVERTED ACCOUNTS

If you have recently opened a new advisory account or your account has recently converted to a new advisory program, your new fee rate information data may not be shown on your statement. This may include fees paid YTD, Advisory Fee rate, and Manager Fee rate. All applicable fees have been withdrawn, and the aggregate amount of such fees are shown under Fees/Expenses in the Cash Activity Summary. The fee rate information will be available on your next statement.

ACCOUNT PROTECTION LPL Financial is a member of the Securities Investor Protection Corporation (SIPC). SIPC provides protection for your account up to \$500,000, of which \$250,000 may be claims for cash, in the unlikely event that LPL fails financially. SIPC protection limits apply to all accounts that you hold in a particular capacity. For example, if you hold two accounts at LPL as a sole account holder and third as a joint account holder, the two individual accounts are protected under SIPC up to a combined limit of \$500,000, and the joint account is protected under SIPC separately up to \$500,000. LPL Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) are not protected by SIPC. Certain non-security investments including those listed in the Other Investments category are not protected by SIPC. To get more information on SIPC, including an explanatory brochure, call SIPC directly at (202) 371-8300 or go to www.sipc.org. The account protection applies when an SIPC member firm fails financially and is unable to meet its obligations to securities clients, but it does not protect against losses from the rise and fall in the market value of investments.

ACCOUNT TYPES For further information regarding the types of accounts available at LPL Financial and the differences between brokerage and advisory accounts, please visit lpl.com and go to Disclosures > Form CRS. Our goal is to ensure that you feel fully informed about the account options available to you.

ADJUSTED COST The cost basis of securities is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. Adjusted cost is used to calculate unrealized and realized gain or loss. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

ADJUSTMENTS TO OPTION CONTRACTS As a general rule, corporate actions can result in an adjustment in the number of shares underlying an options contract, the exercise price, or both. Please review any adjustment to an option position. Contact your financial professional for further information about option contract adjustment or visit the Options Clearing Corporation (OCC) website to view Information Memos at <https://infomemo.theocc.com/infomemo/search>.

LPL FINANCIAL LLC is an affiliate of LPL Financial Holdings Inc.

AGENCY If your broker-dealer acts as your agent, or as agent for both you and another person in a transaction, the transaction details, including the identity of the seller or buyer and the source and amount of any fees or payments will be supplied upon written request.

ASSET-BACKED SECURITIES The actual yield from transactions in asset-backed securities (e.g., CMO, FNMA, FHLMC or GNMAs transactions) may vary according to the rate at which the underlying assets or receivables are repaid. Information about yield factors is available from your financial professional on request.

CHANGE OF ADDRESS Please notify your financial professional or LPL Financial promptly in writing of any change of address.

CHANGES TO FINANCIAL SITUATION OR INVESTMENT OBJECTIVES Please contact your financial professional if there have been any changes to your financial situation or investment objectives, or if you wish to impose or modify any reasonable restrictions on the management of your account. Contacting your financial professional will ensure that you will continue to receive advice that is tailored to meet your needs.

COST BASIS For assets not purchased in the LPL account, you or the previous broker-dealer upon transfer may have provided the Date Acquired and Cost Basis of the position. If no such data was submitted, "N/A" is displayed. Liquidating transactions are automatically paired against holdings on a First In, First Out basis. Designating liquidations as "versus purchase" will cause the trade confirmation or other closed tax lot notification to reflect the selected closed tax lots. Since the cost basis on transferred securities may have been provided by another source, the cost basis information on your statement may not reflect accurate data or correspond to data on your trade confirmations. For accounts electing average cost, the total cost may be computed using a combination of averaged and non-averaged unit prices for eligible securities.

DISCREPANCIES Please notify both your financial professional and LPL Financial immediately of any discrepancies on your statement. If your financial professional is affiliated with another broker-dealer, you must notify them as well. Please see contact information on page 1 of this account statement. Additionally, any verbal communications should be reconfirmed in writing to each of the above parties to further protect your rights, including rights under the Securities Investor Protection Act.

FRACTIONAL SHARE LIQUIDATION For information on fractional share transactions, please refer to LPL.com > Disclosures > Market & Trading Disclosures > Fractional Share Transactions.

You have the right to receive from us, upon demand in the course of normal business, the delivery of any free credit balances to which you are entitled, any fully paid securities to which you are entitled, and any securities purchased on margin upon full payment of any indebtedness to LPL Financial. Balances in Client Cash Account are free credit balances.

INVESTMENT RISK LPL Financial is not a bank, savings and loan, or credit union. More information on FDIC insurance is available on request, or by visiting www.fdic.gov. LPL Financial is not a bank. Unless otherwise disclosed, securities and other investments obtained through LPL Financial ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE.

OPTION CLIENTS Information on commissions and other charges incurred in connection with the execution of options transactions are included in the transaction confirmations provided to you. They are available upon request. Promptly advise your financial professional of any material change in your investment objectives or financial situation.

PRICING Prices shown should only be used as a general guide to portfolio value and may vary from actual liquidation value. We receive prices from various services, which are sometimes unable to provide timely information. Where pricing sources are not readily available, estimated prices may be generated by a matrix system or market driven-pricing model, taking various factors into consideration. Information that displays as N/A or "-" is missing or incomplete and is treated as zero when calculating totals.

PRINCIPAL If your broker-dealer is acting as principal in a transaction, your broker-dealer has sold to you or bought from you the security, and may have received a profit from the transaction.

PURCHASE COST The cost of assets purchased in the LPL account, excluding the cost of assets acquired by reinvested dividends and interest. The amount includes trade fees and commissions and excludes any accrued interest paid at purchase. The amount is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. For transferred securities, the amount could be the purchase amount or the adjusted cost amount you or the former institution provided to us. Transferred securities may not be included in Purchase Cost. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

REGULATION All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market and its clearing house, if any where the transactions are executed, and of the Financial Industry Regulatory Authority (FINRA).

REINVESTMENT The dollar amount of mutual fund distributions, money market fund income, or dividends on other securities on your statement may have been reinvested in additional shares. IMPORTANT CHANGES TO LPL'S INSURED CASH ACCOUNT SWEEP PROGRAM

If your account is enrolled in the Insured Cash Account (ICA) program, please be advised that LPL is updating how a household balance is calculated to determine your applicable interest rate tier under the ICA program. We will also be updating our household balance tier ranges and corresponding interest rates. Effective August 7, 2026, the interest rates you receive will be defined using tiers based on cash balances in the ICA program that you hold in linked eligible accounts in your household. For purposes of the ICA program, eligible accounts in your household means eligible accounts of all persons at the same legal address, based on account registration and subject to certain restrictions. LPL will determine your household ICA balance each day. Other assets, such as securities and other cash equivalents, will no longer be included in this calculation. Depending on the composition (and holdings) of your eligible household accounts, this change may impact your household ICA balance tier, which will affect the interest rate applied to your ICA deposit account balances. Households with significant aggregate assets and low ICA cash balances can generally expect a reduction in their ICA interest rate based on the tier changes; actual financial impact will depend on a number of factors, including eligible accounts linked in the household, ICA deposit account balances, applicable interest rate tiers and rates and holding periods. LPL is making this change to better align its products and services competitively. LPL may benefit from this change and has a conflict of interest in requesting your consent to it. Customers utilizing their LPL accounts and the ICA program after the change takes effect are deemed to have consented to this change. If you have questions about how this change may affect your account, please contact your LPL financial professional. The ICA Disclosure Booklet will be updated to reflect this change, along with clarifications on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change, among other updates. The updated Disclosure Booklet will be available at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html> on August 7, 2026.

IMPORTANT CHANGES TO LPL'S DEPOSIT CASH ACCOUNT SWEEP PROGRAM

Effective August 7, 2026, LPL is updating the Deposit Cash Account ("DCA") Disclosure Booklet to, among other things, clarify existing information on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change. Please review the updated Disclosure Booklet, available on August 7, 2026, by visiting LPL's website at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html>. If you have any questions, please contact your LPL financial professional.

ORDER ROUTING INFORMATION

In accordance with SEC Rule 606, LPL makes available information on order routing at www.LPL.com/disclosures/sec-disclosures.html. Upon request, LPL will also provide a customer a written copy of that disclosure along with specific details on orders in NMS stocks that are submitted on a held basis, orders in NMS stocks that are submitted on a not held basis, and for orders in NMS securities that are option contracts. As required by the Rule, LPL will provide the identity of the venue to which the orders were routed for execution for the six months prior to the request, whether the orders were directed or non-directed orders, and the time of any transactions that resulted from such orders.

CALLED SECURITIES

In the event of a partial call of corporate or municipal bonds, or preferred stock held in bulk segregation, the securities to be called will automatically be selected on a random basis, as is customary in the securities industry. The probability that your securities will be selected is proportional to the amount of your holdings relative to the bulk holdings. A detailed description of the random selection procedure is available at LPL.com > Disclosures > Market & Trading Disclosures > Call Securities Lottery Disclosure, and is also available upon request.

SETTLEMENT FEE

LPL Financial passes through certain regulatory fees incurred by LPL as a result of executing the transaction on your behalf. This includes fees charged under Section 31 of the Securities Exchange Act for sell transactions in equities and options. Effective April 6, 2026, the current fee rate applicable to these securities liquidation transactions on national securities exchanges and over-the-counter markets will change from \$0.00 per million dollars to \$20.60 per million dollars. These fees will be reflected on customer trade confirmations as "Settlement Fees".

NON-TRANSFERABLE SECURITIES THAT ARE WORTHLESS

As part of our continuing effort to provide exceptional service, please be advised that LPL Financial will remove any non-transferable securities that are worthless from customer accounts. Your account may or may not be affected. Should you have any questions or concerns, please contact your financial professional.

ESTIMATED ANNUAL INCOME (EAI) AND ESTIMATED YIELD (EY)

EAI is calculated by taking the indicated annualized dividend and multiplying by the number of shares owned. EY is calculated by taking the EAI and dividing by the aggregate value of the shares owned. If no dividend information is available, no EAI or EY numbers will be generated. EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. Additionally the actual dividend or yield may vary depending on the security issuer's approval of paying the dividends. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

ICA INFORMATION

Your balances in the Insured Cash Account (ICA) program are allocated to any depository institution on the ICA Available Bank List in increments of \$246,500 for individual and trust accounts and \$493,000 for joint accounts until your balance in the ICA program reaches the maximum coverage provided through the program. As always, you should review your cash positions with various depository institutions to determine whether your cash is within the FDIC insurance coverage limits. For more information about the ICA program, please contact your financial professional or go to <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html>.

LPL RELATIONSHIP SUMMARY AVAILABLE ONLINE

LPL financial professionals offer brokerage services, investment advisory services, or both, depending on their licenses. Brokerage and investment advisory services, and the fees we charge for them, differ, and it's important that you understand the differences. Our Relationship Summary explains the various services we offer, how we charge for those services, and conflicts of interest that exist when we provide our services. Please visit lpl.com/CRS to learn more.

ACCOUNT PROTECTION LPL Financial is a member of the Securities Investor Protection Corporation (SIPC). SIPC provides protection for your account up to \$500,000, of which \$250,000 may be claims for cash, in the unlikely event that LPL fails financially. SIPC protection limits apply to all accounts that you hold in a particular capacity. For example, if you hold two accounts at LPL as a sole account holder and third as a joint account holder, the two individual accounts are protected under SIPC up to a combined limit of \$500,000, and the joint account is protected under SIPC separately up to \$500,000. LPL Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) are not protected by SIPC. Certain non-security investments including those listed in the Other Investments category are not protected by SIPC. To get more information on SIPC, including an explanatory brochure, call SIPC directly at (202) 371-8300 or go to www.sipc.org. The account protection applies when an SIPC member firm fails financially and is unable to meet its obligations to securities clients, but it does not protect against losses from the rise and fall in the market value of investments.

ACCOUNT TYPES For further information regarding the types of accounts available at LPL Financial and the differences between brokerage and advisory accounts, please visit lpl.com and go to Disclosures > Form CRS. Our goal is to ensure that you feel fully informed about the account options available to you.

ADJUSTED COST The cost basis of securities is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. Adjusted cost is used to calculate unrealized and realized gain or loss. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

ADJUSTMENTS TO OPTION CONTRACTS As a general rule, corporate actions can result in an adjustment in the number of shares underlying an options contract, the exercise price, or both. Please review any adjustment to an option position. Contact your financial professional for further information about option contract adjustment or visit the Options Clearing Corporation (OCC) website to view Information Memos at <https://infomemo.theocc.com/infomemo/search>.

LPL FINANCIAL LLC is an affiliate of LPL Financial Holdings Inc.

AGENCY If your broker-dealer acts as your agent, or as agent for both you and another person in a transaction, the transaction details, including the identity of the seller or buyer and the source and amount of any fees or payments will be supplied upon written request.

ASSET-BACKED SECURITIES The actual yield from transactions in asset-backed securities (e.g., CMO, FNMA, FHLMC or GNMAs transactions) may vary according to the rate at which the underlying assets or receivables are repaid. Information about yield factors is available from your financial professional on request.

CHANGE OF ADDRESS Please notify your financial professional or LPL Financial promptly in writing of any change of address.

COST BASIS For assets not purchased in the LPL account, you or the previous broker-dealer upon transfer may have provided the Date Acquired and Cost Basis of the position. If no such data was submitted, "N/A" is displayed. Liquidating transactions are automatically paired against holdings on a First In, First Out basis. Designating liquidations as "versus purchase" will cause the trade confirmation or other closed tax lot notification to reflect the selected closed tax lots. Since the cost basis on transferred securities may have been provided by another source, the cost basis information on your statement may not reflect accurate data or correspond to data on your trade confirmations. For accounts electing average cost, the total cost may be computed using a combination of averaged and non-averaged unit prices for eligible securities.

DISCREPANCIES Please notify both your financial professional and LPL Financial immediately of any discrepancies on your statement. If your financial professional is affiliated with another broker-dealer, you must notify them as well. Please see contact information on page 1 of this account statement. Additionally, any verbal communications should be reconfirmed in writing to each of the above parties to further protect your rights, including rights under the Securities Investor Protection Act.

FRACTIONAL SHARE LIQUIDATION For information on fractional share transactions, please refer to LPL.com > Disclosures > Market & Trading Disclosures > Fractional Share Transactions.

FREE CREDIT BALANCES LPL Financial may use your free credit balances subject to the limitations of 17 CFR Section 240.15c3-3 under the Securities Exchange Act of 1934. You have the right to receive from us, upon demand in the course of normal business, the delivery of any free credit balances to which you are entitled, any fully paid securities to which you are entitled, and any securities purchased on margin upon full payment of any indebtedness to LPL Financial. Balances in Client Cash Account are free credit balances.

INVESTMENT RISK LPL Financial is not a bank, savings and loan, or credit union. LPL INSURED BANK DEPOSIT SWEEP PROGRAMS Cash in the Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) programs is protected by the Federal Deposit Insurance Corporation (FDIC). LPL Financial allocates your money to the ICA program to banks in the order of the Priority Bank List, and to the DCA program to any bank on the Available Bank list, in increments up to the programs' disclosed amounts until your balance in each of the ICA and DCA programs is allocated to the program max. All banks are FDIC members. FDIC coverage is \$250,000 per depositor per bank (\$500,000 for joint account holders). More information on FDIC insurance is available on request, or by visiting www.fdic.gov. LPL Financial is not a bank. Unless otherwise disclosed, securities and other investments obtained through LPL Financial ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE.

MARGIN ACCOUNT If you use margin, this statement combines information about your investment account(s) and a special miscellaneous account maintained for you under Section 220.6 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the separate account required by Regulation T is available for your inspection upon request.

MONEY MARKET FUNDS Money market fund transactions, if any, are displayed chronologically. The 30-day yield for the fund is also reflected as of the statement date.

MUNICIPAL MATERIAL DISCLOSURE Copies of any material disclosures for municipal bonds are available in the Electronic Municipal Market Access (EMMA) system at www.emma.msrb.org. To obtain specific municipal bond information, enter the nine-digit CUSIP number in the search field in the EMMA site. If you do not have access to the internet or would prefer a physical copy of the material disclosure, please contact your financial professional. Additional municipal bond information that may be available on www.emma.msrb.org includes, but is not limited to, advance refunding documents, continuing disclosures including annual financial statements and notices of material events, real-time and historical trade data, daily market statistics, and education material.

N/A or "-" Data Information that displays as N/A or "-" is missing or incomplete and is treated as zero when calculating totals.

OPTION CLIENTS Information on commissions and other charges incurred in connection with the execution of options transactions are included in the transaction confirmations provided to you. They are available upon request. Promptly advise your financial professional of any material change in your investment objectives or financial situation.

PRICING Prices shown should only be used as a general guide to portfolio value and may vary from actual liquidation value. We receive prices from various services, which are sometimes unable to provide timely information. Where pricing sources are not readily available, estimated prices may be generated by a matrix system or market driven-pricing model, taking various factors into consideration. Information that displays as N/A or "-" is missing or incomplete and is treated as zero when calculating totals.

PRINCIPAL If your broker-dealer is acting as principal in a transaction, your broker-dealer has sold to you or bought from you the security, and may have received a profit from the transaction.

PURCHASE COST The cost of assets purchased in the LPL account, excluding the cost of assets acquired by reinvested dividends and interest. The amount includes trade fees and commissions and excludes any accrued interest paid at purchase. The amount is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. For transferred securities, the amount could be the purchase amount or the adjusted cost amount you or the former institution provided to us. Transferred securities may not be included in Purchase Cost. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

REGULATION All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market and its clearing house, if any where the transactions are executed, and of the Financial Industry Regulatory Authority (FINRA).

REINVESTMENT The dollar amount of mutual fund distributions, money market fund income, or dividends on other securities on your statement may have been reinvested in additional shares. You will not receive confirmations for these reinvestment transactions. However, you may request information on these transactions by writing to LPL Financial. LPL will also, if requested, furnish you with the time of execution and the name of the person from whom your security was purchased.

REVENUE SHARING LPL may have a fee arrangement with the investment advisor or distributor ("sponsor") of the mutual fund you have purchased, called revenue-sharing. In such case, the sponsor pays LPL a fee based on the amount of your purchase, and LPL provides marketing support to the sponsor and allows the sponsor to access your financial professional so that the sponsor can promote such mutual funds. This arrangement gives LPL a financial incentive to have LPL clients invest in participating mutual funds instead of funds whose sponsor do not make such payments to LPL. Although your financial professional does not share in this compensation, this conflict of interest affects the ability of LPL to provide you with unbiased, objective investment advice concerning the selection of mutual funds for your account. This could mean that other mutual funds, whose sponsors do not make revenue sharing payments, may be more appropriate for your account than the mutual funds whose sponsors make revenue sharing payments to LPL. For a complete list of the participating sponsors, and the range of fee payments, please visit LPL.com>Disclosures> Account Disclosures, Agreements, Fee Schedules & Conflicts of Interest>Third Party Compensation and Related Conflicts of Interest.

SWEEP OPTION Your account may provide for a daily sweep in an insured bank deposit sweep program-either LPL Insured Cash Account (ICA) or LPL Deposit Cash Account (DCA)-or a money market mutual fund. The balance in the ICA, DCA or money market mutual fund sweep may be liquidated on the customer's order and the proceeds returned to the securities account, or remitted to the customer. If you have any questions about your sweep option, including rates of the depository institutions currently participating in the sweep option, or you would like to change your sweep option, please contact your financial professional.

TRADING AWAY POLICY Additional information regarding trading practices of equity portfolio managers on Manager Select and Manager Access Select is available on LPL.com > Disclosures > Market & Trading Disclosures > Third-Party Portfolio Manager Trading Practices.

IMPORTANT CHANGES TO LPL'S INSURED CASH ACCOUNT SWEEP PROGRAM

If your account is enrolled in the Insured Cash Account (ICA) program, please be advised that LPL is updating how a household balance is calculated to determine your applicable interest rate tier under the ICA program. We will also be updating our household balance tier ranges and corresponding interest rates. Effective August 7, 2026, the interest rates you receive will be defined using tiers based on cash balances in the ICA program that you hold in linked eligible accounts in your household. For purposes of the ICA program, eligible accounts in your household means eligible accounts of all persons at the same legal address, based on account registration and subject to certain restrictions. LPL will determine your household ICA balance each day. Other assets, such as securities and other cash equivalents, will no longer be included in this calculation. Depending on the composition (and holdings) of your eligible household accounts, this change may impact your household ICA balance tier, which will affect the interest rate applied to your ICA deposit account balances. Households with significant aggregate assets and low ICA cash balances can generally expect a reduction in their ICA interest rate based on the tier changes; actual financial impact will depend on a number of factors, including eligible accounts linked in the household, ICA deposit account balances, applicable interest rate tiers and rates and holding periods. LPL is making this change to better align its products and services competitively. LPL may benefit from this change and has a conflict of interest in requesting your consent to it. Customers utilizing their LPL accounts and the ICA program after the change takes effect are deemed to have consented to this change. If you have questions about how this change may affect your account, please contact your LPL financial professional. The ICA Disclosure Booklet will be updated to reflect this change, along with clarifications on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change, among other updates. The updated Disclosure Booklet will be available at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html> on August 7, 2026.

IMPORTANT CHANGES TO LPL'S DEPOSIT CASH ACCOUNT SWEEP PROGRAM

Effective August 7, 2026, LPL is updating the Deposit Cash Account ("DCA") Disclosure Booklet to, among other things, clarify existing information on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change. Please review the updated Disclosure Booklet, available on August 7, 2026, by visiting LPL's website at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html>. If you have any questions, please contact your LPL financial professional.

In accordance with SEC Rule 606, LPL makes available information on order routing at www.LPL.com/disclosures/sec-disclosures.html. Upon request, LPL will also provide a customer a written copy of that disclosure along with specific details on orders in NMS stocks that are submitted on a held basis, orders in NMS stocks that are submitted on a not held basis, and for orders in NMS securities that are option contracts. As required by the Rule, LPL will provide the identity of the venue to which the orders were routed for execution for the six months prior to the request, whether the orders were directed or non-directed orders, and the time of any transactions that resulted from such orders.

CALLED SECURITIES

In the event of a partial call of corporate or municipal bonds, or preferred stock held in bulk segregation, the securities to be called will automatically be selected on a random basis, as is customary in the securities industry. The probability that your securities will be selected is proportional to the amount of your holdings relative to the bulk holdings. A detailed description of the random selection procedure is available at LPL.com > Disclosures > Market & Trading Disclosures > Call Securities Lottery Disclosure, and is also available upon request.

IMPORTANT INFORMATION REGARDING ADDING A TRUSTED CONTACT PERSON TO YOUR ACCOUNT

If you have not already done so, please consider adding a trusted contact person to your account. A trusted contact person is not required, but can help ensure that we are able to look out for your needs. Please provide your financial professional with the name and contact information for a trusted contact person for each of your accounts at LPL. If no advisor is assigned to your account, you can contact LPL directly to request a trusted contact be added. The trusted contact person intends to be a resource for LPL in administering your accounts, protecting your assets, and responding to possible financial exploitation.

Note: Your trusted contact person must be aged 18 or older and will not be able to conduct transactions in your account. When providing this information, you would give permission to LPL Financial, LLC and its associated persons, including your financial professional, to use discretion to contact the trusted contact person and disclose information about you and your account(s) in order to:

- Address concerns that you might be a victim of financial exploitation which could include fraud, coercion, or unauthorized transactions,
- Impose a temporary hold on transactions or disbursements of funds or securities to address possible financial exploitation or other concerns,
- Confirm your current contact information, address, your whereabouts and health status, and/or,
- Confirm the identity of any legal guardian, executor, trustee, holder of a power of attorney, or other person who may be acting on your behalf (such as an attorney or accountant).

IMPORTANT INFORMATION ABOUT PURCHASE COST AND INVESTMENT GAIN/LOSS

When Purchase Cost is shown on an account it equals the Cost Basis of Equities and Mutual Funds acquired since your account was established with LPL, less any reinvested dividends and interest. The associated Investment Gain/Loss equals the current market value of all shares owned less the purchase cost.

POLICY FOR BENEFICIARY ACCOUNTS

Beneficiaries must open an account to receive any securities or cash from a deceased client's account. Please visit lpl.com > Disclosures > LPL Educational Resources > Financial Transfer Of Benefits Related To Death to learn more.

SETTLEMENT FEE

LPL Financial passes through certain regulatory fees incurred by LPL as a result of executing the transaction on your behalf. This includes fees charged under Section 31 of the Securities Exchange Act for sell transactions in equities and options. Effective April 6, 2026, the current fee rate applicable to these securities liquidation transactions on national securities exchanges and over-the-counter markets will change from \$0.00 per million dollars to \$20.60 per million dollars. These fees will be reflected on customer trade confirmations as "Settlement Fees".

NON-TRANSFERABLE SECURITIES THAT ARE WORTHLESS

As part of our continuing effort to provide exceptional service, please be advised that LPL Financial will remove any non-transferable securities that are worthless from customer accounts. Your account may or may not be affected. Should you have any questions or concerns, please contact your financial professional.

ESTIMATED ANNUAL INCOME (EAI) AND ESTIMATED YIELD (EY)

EAI is calculated by taking the indicated annualized dividend and multiplying by the number of shares owned. EY is calculated by taking the EAI and dividing by the aggregate value of the shares owned. If no dividend information is available, no EAI or EY numbers will be generated. EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. Additionally the actual dividend or yield may vary depending on the security issuer's approval of paying the dividends. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

DCA INFORMATION

Your balances in the Deposit Cash Account (DCA) program are allocated to any depository institution on the DCA Available Bank List in increments of up to \$249,000 for individual accounts until your balance in the DCA program reaches the maximum coverage provided through the program. As always, you should review your cash positions with various depository institutions to determine whether your cash is within the FDIC insurance coverage limits. For more information about the DCA program, please contact your financial professional or go to <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html>.

NOTICE OF AMENDMENT TO MISCELLANEOUS FEE SCHEDULE

Updates have been made to the Miscellaneous Account and Service Fees Schedule applicable to your account. Specifically, the schedule has been updated to clarify that the Alternative Investment (AI) Product Processing fee applies to any alternative investments transferred into your account. Please visit <https://www.lpl.com/disclosures/fee-schedules.html> to view the full fee schedule titled "Miscellaneous Account and Service Fees Schedule - Advisory." If you have any questions about these changes, please contact your financial advisor.

ADVISORY FEES

The Advisory Fees shown in this report reflect annualized fees charged for the entire year. Because of deposits and withdrawals, tiered fee schedules, pro-ration of fees for new and terminated accounts, changes to fee rates, and fee credits, the Advisory Fee amount shown in this report may be different than a simple calculation of the Fee Rate times the quarter end account value divided by 4.

NOTICE FOR RECENTLY OPENED OR CONVERTED ACCOUNTS

If you have recently opened a new advisory account or your account has recently converted to a new advisory program, your new fee rate information data may not be shown on your statement. This may include fees paid YTD, Advisory Fee rate, and Manager Fee rate. All applicable fees have been withdrawn, and the aggregate amount of such fees are shown under Fees/Expenses in the Cash Activity Summary. The fee rate information will be available on your next statement.

ACCOUNT PROTECTION LPL Financial is a member of the Securities Investor Protection Corporation (SIPC). SIPC provides protection for your account up to \$500,000, of which \$250,000 may be claims for cash, in the unlikely event that LPL fails financially. SIPC protection limits apply to all accounts that you hold in a particular capacity. For example, if you hold two accounts at LPL as a sole account holder and third as a joint account holder, the two individual accounts are protected under SIPC up to a combined limit of \$500,000, and the joint account is protected under SIPC separately up to \$500,000. LPL Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) are not protected by SIPC. Certain non-security investments including those listed in the Other Investments category are not protected by SIPC. To get more information on SIPC, including an explanatory brochure, call SIPC directly at (202) 371-8300 or go to www.sipc.org. The account protection applies when an SIPC member firm fails financially and is unable to meet its obligations to securities clients, but it does not protect against losses from the rise and fall in the market value of investments.

ACCOUNT TYPES For further information regarding the types of accounts available at LPL Financial and the differences between brokerage and advisory accounts, please visit lpl.com and go to Disclosures > Form CRS. Our goal is to ensure that you feel fully informed about the account options available to you.

ADJUSTED COST The cost basis of securities is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. Adjusted cost is used to calculate unrealized and realized gain or loss. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

ADJUSTMENTS TO OPTION CONTRACTS As a general rule, corporate actions can result in an adjustment in the number of shares underlying an options contract, the exercise price, or both. Please review any adjustment to an option position. Contact your financial professional for further information about option contract adjustment or visit the Options Clearing Corporation (OCC) website to view Information Memos at <https://infomemo.theocc.com/infomemo/search>.

LPL FINANCIAL LLC is an affiliate of LPL Financial Holdings Inc.

AGENCY If your broker-dealer acts as your agent, or as agent for both you and another person in a transaction, the transaction details, including the identity of the seller or buyer and the source and amount of any fees or payments will be supplied upon written request.

ASSET-BACKED SECURITIES The actual yield from transactions in asset-backed securities (e.g., CMO, FNMA, FHLMC or GNMAs transactions) may vary according to the rate at which the underlying assets or receivables are repaid. Information about yield factors is available from your financial professional on request.

CHANGE OF ADDRESS Please notify your financial professional or LPL Financial promptly in writing of any change of address.

CHANGES TO FINANCIAL SITUATION OR INVESTMENT OBJECTIVES Please contact your financial professional if there have been any changes to your financial situation or investment objectives, or if you wish to impose or modify any reasonable restrictions on the management of your account. Contacting your financial professional will ensure that you will continue to receive advice that is tailored to meet your needs.

COST BASIS For assets not purchased in the LPL account, you or the previous broker-dealer upon transfer may have provided the Date Acquired and Cost Basis of the position. If no such data was submitted, "N/A" is displayed. Liquidating transactions are automatically paired against holdings on a First In, First Out basis. Designating liquidations as "versus purchase" will cause the trade confirmation or other closed tax lot notification to reflect the selected closed tax lots. Since the cost basis on transferred securities may have been provided by another source, the cost basis information on your statement may not reflect accurate data or correspond to data on your trade confirmations. For accounts electing average cost, the total cost may be computed using a combination of averaged and non-averaged unit prices for eligible securities.

DISCREPANCIES Please notify both your financial professional and LPL Financial immediately of any discrepancies on your statement. If your financial professional is affiliated with another broker-dealer, you must notify them as well. Please see contact information on page 1 of this account statement. Additionally, any verbal communications should be reconfirmed in writing to each of the above parties to further protect your rights, including rights under the Securities Investor Protection Act.

FRACTIONAL SHARE LIQUIDATION For information on fractional share transactions, please refer to LPL.com > Disclosures > Market & Trading Disclosures > Fractional Share Transactions.

You have the right to receive from us, upon demand in the course of normal business, the delivery of any free credit balances to which you are entitled, any fully paid securities to which you are entitled, and any securities purchased on margin upon full payment of any indebtedness to LPL Financial. Balances in Client Cash Account are free credit balances.

INVESTMENT RISK LPL Financial is not a bank, savings and loan, or credit union. LPL INSURED BANK DEPOSIT SWEEP PROGRAMS Cash in the Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) programs is protected by the Federal Deposit Insurance Corporation (FDIC). LPL Financial allocates your money to the ICA program to banks in the order of the Priority Bank List, and to the DCA program to any bank on the Available Bank list, in increments up to the programs' disclosed amounts until your balance in each of the ICA and DCA programs is allocated to the program max. More information on FDIC insurance is available on request, or by visiting www.fdic.gov. LPL Financial is not a bank. Unless otherwise disclosed, securities and other investments obtained through LPL Financial ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE.

OPTION CLIENTS Information on commissions and other charges incurred in connection with the execution of options transactions are included in the transaction confirmations provided to you. They are available upon request. Promptly advise your financial professional of any material change in your investment objectives or financial situation.

PRICING Prices shown should only be used as a general guide to portfolio value and may vary from actual liquidation value. We receive prices from various services, which are sometimes unable to provide timely information. Where pricing sources are not readily available, estimated prices may be generated by a matrix system or market driven-pricing model, taking various factors into consideration. Information that displays as N/A or "-" is missing or incomplete and is treated as zero when calculating totals.

PRINCIPAL If your broker-dealer is acting as principal in a transaction, your broker-dealer has sold to you or bought from you the security, and may have received a profit from the transaction.

PURCHASE COST The cost of assets purchased in the LPL account, excluding the cost of assets acquired by reinvested dividends and interest. The amount includes trade fees and commissions and excludes any accrued interest paid at purchase. The amount is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. For transferred securities, the amount could be the purchase amount or the adjusted cost amount you or the former institution provided to us. Transferred securities may not be included in Purchase Cost. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

REGULATION All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market and its clearing house, if any where the transactions are executed, and of the Financial Industry Regulatory Authority (FINRA).

REINVESTMENT The dollar amount of mutual fund distributions, money market fund income, or dividends on other securities on your statement may have been reinvested in additional shares. You will not receive confirmations for these reinvestment transactions. However, you may request information on these transactions by writing to LPL Financial. SWEEP OPTION Your account may provide for a daily sweep in an insured bank deposit sweep program-either LPL Insured Cash Account (ICA) or LPL Deposit Cash Account (DCA)-or a money market mutual fund. The balance in the ICA, DCA or money market mutual fund sweep may be liquidated on the customer's order and the proceeds returned to the securities account, or remitted to the customer. If you have any questions about your sweep option, including rates of the depository institutions currently participating in the sweep option, or you would like to change your sweep option, please contact your financial professional.

IMPORTANT CHANGES TO LPL'S INSURED CASH ACCOUNT SWEEP PROGRAM

If your account is enrolled in the Insured Cash Account (ICA) program, please be advised that LPL is updating how a household balance is calculated to determine your applicable interest rate tier under the ICA program. We will also be updating our household balance tier ranges and corresponding interest rates. Effective August 7, 2026, the interest rates you receive will be defined using tiers based on cash balances in the ICA program that you hold in linked eligible accounts in your household. For purposes of the ICA program, eligible accounts in your household means eligible accounts of all persons at the same legal address, based on account registration and subject to certain restrictions. LPL will determine your household ICA balance each day. Other assets, such as securities and other cash equivalents, will no longer be included in this calculation. Depending on the composition (and holdings) of your eligible household accounts, this change may impact your household ICA balance tier, which will affect the interest rate applied to your ICA deposit account balances. Households with significant aggregate assets and low ICA cash balances can generally expect a reduction in their ICA interest rate based on the tier changes; actual financial impact will depend on a number of factors, including eligible accounts linked in the household, ICA deposit account balances, applicable interest rate tiers and rates and holding periods. LPL is making this change to better align its products and services competitively. LPL may benefit from this change and has a conflict of interest in requesting your consent to it. Customers utilizing their LPL accounts and the ICA program after the change takes effect are deemed to have consented to this change. If you have questions about how this change may affect your account, please contact your LPL financial professional. The ICA Disclosure Booklet will be updated to reflect this change, along with clarifications on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change, among other updates. The updated Disclosure Booklet will be available at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html> on August 7, 2026.

IMPORTANT CHANGES TO LPL'S DEPOSIT CASH ACCOUNT SWEEP PROGRAM

Effective August 7, 2026, LPL is updating the Deposit Cash Account ("DCA") Disclosure Booklet to, among other things, clarify existing information on how interest rates and fees are determined, related conflicts of interest, and how the program terms may change. Please review the updated Disclosure Booklet, available on August 7, 2026, by visiting LPL's website at <https://www.lpl.com/disclosures/lpl-financial-fdic-insured-bank-deposit-sweep-programs.html>. If you have any questions, please contact your LPL financial professional.

ORDER ROUTING INFORMATION

In accordance with SEC Rule 606, LPL makes available information on order routing at www.LPL.com/disclosures/sec-disclosures.html. Upon request, LPL will also provide a customer a written copy of that disclosure along with specific details on orders in NMS stocks that are submitted on a held basis, orders in NMS stocks that are submitted on a not held basis, and for orders in NMS securities that are option contracts. As required by the Rule, LPL will provide the identity of the venue to which the orders were routed for execution for the six months prior to the request, whether the orders were directed or non-directed orders, and the time of any transactions that resulted from such orders.

CALLED SECURITIES

In the event of a partial call of corporate or municipal bonds, or preferred stock held in bulk segregation, the securities to be called will automatically be selected on a random basis, as is customary in the securities industry. The probability that your securities will be selected is proportional to the amount of your holdings relative to the bulk holdings. A detailed description of the random selection procedure is available at LPL.com > Disclosures > Market & Trading Disclosures > Call Securities Lottery Disclosure, and is also available upon request.

IMPORTANT INFORMATION ABOUT PURCHASE COST AND INVESTMENT GAIN/LOSS

When Purchase Cost is shown on an account it equals the Cost Basis of Equities and Mutual Funds acquired since your account was established with LPL, less any reinvested dividends and interest. The associated Investment Gain/Loss equals the current market value of all shares owned less the purchase cost.

POLICY FOR BENEFICIARY ACCOUNTS

Beneficiaries must open an account to receive any securities or cash from a deceased client's account. Please visit lpl.com > Disclosures > LPL Educational Resources > Financial Transfer Of Benefits Related To Death to learn more.

SETTLEMENT FEE

LPL Financial passes through certain regulatory fees incurred by LPL as a result of executing the transaction on your behalf. This includes fees charged under Section 31 of the Securities Exchange Act for sell transactions in equities and options. Effective April 6, 2026, the current fee rate applicable to these securities liquidation transactions on national securities exchanges and over-the-counter markets will change from \$0.00 per million dollars to \$20.60 per million dollars. These fees will be reflected on customer trade confirmations as "Settlement Fees".

NON-TRANSFERABLE SECURITIES THAT ARE WORTHLESS

As part of our continuing effort to provide exceptional service, please be advised that LPL Financial will remove any non-transferable securities that are worthless from customer accounts. Your account may or may not be affected. Should you have any questions or concerns, please contact your financial professional.

ESTIMATED ANNUAL INCOME (EAI) AND ESTIMATED YIELD (EY)

EAI is calculated by taking the indicated annualized dividend and multiplying by the number of shares owned. EY is calculated by taking the EAI and dividing by the aggregate value of the shares owned. If no dividend information is available, no EAI or EY numbers will be generated. EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. Additionally the actual dividend or yield may vary depending on the security issuer's approval of paying the dividends. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

Definition of Investment Objectives and Risk Tolerance

The investment objectives are overall objectives for the entire account and may be inconsistent with a particular holding at any time. Achievement of the stated investment objective is a long-term goal for the account. These choices are listed in order from what’s considered to be the least risk to the highest risk. There’s no guarantee that the investment objective will be achieved.

Income with Capital Preservation – Emphasis is placed on current income and preventing capital loss. This is considered the lowest risk portfolio available and is generally for investors with the shortest time horizon.

Income with Moderate Growth – Emphasis is placed on current income with some focus on moderate capital growth.

Growth With Income – Emphasis is placed on modest capital growth. Certain assets are included to generate income and reduce overall volatility.

Growth – Emphasis is placed on achieving high long-term growth and capital appreciation. This is considered higher than average risk.

Aggressive Growth – Emphasis is placed on aggressive growth and maximum capital appreciation. This portfolio is considered to have the highest level of risk and is for investors with a longer time horizon.

Trading – Emphasis is placed on speculative transaction activity. This objective represents acceptance of an extremely high level of risk (not allowed in advisory accounts).

ACCOUNT PROTECTION LPL Financial is a member of the Securities Investor Protection Corporation (SIPC). SIPC provides protection for your account up to \$500,000, of which \$250,000 may be claims for cash, in the unlikely event that LPL fails financially. SIPC protection limits apply to all accounts that you hold in a particular capacity. For example, if you hold two accounts at LPL as a sole account holder and third as a joint account holder, the two individual accounts are protected under SIPC up to a combined limit of \$500,000, and the joint account is protected under SIPC separately up to \$500,000. LPL Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) are not protected by SIPC. Certain non-security investments including those listed in the Other Investments category are not protected by SIPC. To get more information on SIPC, including an explanatory brochure, call SIPC directly at (202) 371-8300 or go to www.sipc.org. The account protection applies when an SIPC member firm fails financially and is unable to meet its obligations to securities clients, but it does not protect against losses from the rise and fall in the market value of investments.

ACCOUNT TYPES For further information regarding the types of accounts available at LPL Financial and the differences between brokerage and advisory accounts, please visit lpl.com and go to Disclosures > Form CRS. Our goal is to ensure that you feel fully informed about the account options available to you.

ADJUSTED COST The cost basis of securities is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. Adjusted cost is used to calculate unrealized and realized gain or loss. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

ADJUSTMENTS TO OPTION CONTRACTS As a general rule, corporate actions can result in an adjustment in the number of shares underlying an options contract, the exercise price, or both. Please review any adjustment to an option position. Contact your financial professional for further information about option contract adjustment or visit the Options Clearing Corporation (OCC) website to view Information Memos at <https://infomemo.theocc.com/infomemo/search>.

LPL FINANCIAL LLC is an affiliate of LPL Financial Holdings Inc.

AGENCY If your broker-dealer acts as your agent, or as agent for both you and another person in a transaction, the transaction details, including the identity of the seller or buyer and the source and amount of any fees or payments will be supplied upon written request.

ASSET-BACKED SECURITIES The actual yield from transactions in asset-backed securities (e.g., CMO, FNMA, FHLMC or GNMAs transactions) may vary according to the rate at which the underlying assets or receivables are repaid. Information about yield factors is available from your financial professional on request.

CHANGE OF ADDRESS Please notify your financial professional or LPL Financial promptly in writing of any change of address.

COST BASIS For assets not purchased in the LPL account, you or the previous broker-dealer upon transfer may have provided the Date Acquired and Cost Basis of the position. If no such data was submitted, "N/A" is displayed. Liquidating transactions are automatically paired against holdings on a First In, First Out basis. Designating liquidations as "versus purchase" will cause the trade confirmation or other closed tax lot notification to reflect the selected closed tax lots. Since the cost basis on transferred securities may have been provided by another source, the cost basis information on your statement may not reflect accurate data or correspond to data on your trade confirmations. For accounts electing average cost, the total cost may be computed using a combination of averaged and non-averaged unit prices for eligible securities.

DISCREPANCIES Please notify both your financial professional and LPL Financial immediately of any discrepancies on your statement. If your financial professional is affiliated with another broker-dealer, you must notify them as well. Please see contact information on page 1 of this account statement. Additionally, any verbal communications should be reconfirmed in writing to each of the above parties to further protect your rights, including rights under the Securities Investor Protection Act.

FRACTIONAL SHARE LIQUIDATION For information on fractional share transactions, please refer to LPL.com > Disclosures > Market & Trading Disclosures > Fractional Share Transactions.

You have the right to receive from us, upon demand in the course of normal business, the delivery of any free credit balances to which you are entitled, any fully paid securities to which you are entitled, and any securities purchased on margin upon full payment of any indebtedness to LPL Financial. Balances in Client Cash Account are free credit balances.

More information on FDIC insurance is available on request, or by visiting www.fdic.gov. LPL Financial is not a bank. Unless otherwise disclosed, securities and other investments obtained through LPL Financial ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE.

Additional municipal bond information that may be available on www.emma.msrb.org includes, but is not limited to, advance refunding documents, continuing disclosures including annual financial statements and notices of material events, real-time and historical trade data, daily market statistics, and education material.

N/A or "-" Data Information that displays as N/A or "-" is missing or incomplete and is treated as zero when calculating totals.

OPTION CLIENTS Information on commissions and other charges incurred in connection with the execution of options transactions are included in the transaction confirmations provided to you. They are available upon request. Promptly advise your financial professional of any material change in your investment objectives or financial situation.

PRICING Prices shown should only be used as a general guide to portfolio value and may vary from actual liquidation value. We receive prices from various services, which are sometimes unable to provide timely information. Where pricing sources are not readily available, estimated prices may be generated by a matrix system or market driven-pricing model, taking various factors into consideration. Information that displays as N/A or "-" is missing or incomplete and is treated as zero when calculating totals.

PRINCIPAL If your broker-dealer is acting as principal in a transaction, your broker-dealer has sold to you or bought from you the security, and may have received a profit from the transaction.

PURCHASE COST The cost of assets purchased in the LPL account, excluding the cost of assets acquired by reinvested dividends and interest. The amount includes trade fees and commissions and excludes any accrued interest paid at purchase. The amount is subject to adjustment for return of capital, return of principal, original issue discount, bond premium, acquisition premium, market discount, partnership distribution, option premium, corporate action, and wash sale. For transferred securities, the amount could be the purchase amount or the adjusted cost amount you or the former institution provided to us. Transferred securities may not be included in Purchase Cost. When information is incomplete or missing, "N/A" is displayed and is treated as zero when calculating totals.

REGULATION All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market and its clearing house, if any where the transactions are executed, and of the Financial Industry Regulatory Authority (FINRA).

REINVESTMENT The dollar amount of mutual fund distributions, money market fund income, or dividends on other securities on your statement may have been reinvested in additional shares. You will not receive confirmations for these reinvestment transactions. However, you may request information on these transactions by writing to LPL Financial. LPL will also, if requested, furnish you with the time of execution and the name of the person from whom your security was purchased.

REVENUE SHARING LPL may have a fee arrangement with the investment advisor or distributor ("sponsor") of the mutual fund you have purchased, called revenue-sharing. In such case, the sponsor pays LPL a fee based on the amount of your purchase, and LPL provides marketing support to the sponsor and allows the sponsor to access your financial professional so that the sponsor can promote such mutual funds. This arrangement gives LPL a financial incentive to have LPL clients invest in participating mutual funds instead of funds whose sponsor do not make such payments to LPL. Although your financial professional does not share in this compensation, this conflict of interest affects the ability of LPL to provide you with unbiased, objective investment advice concerning the selection of mutual funds for your account. This could mean that other mutual funds, whose sponsors do not make revenue sharing payments, may be more appropriate for your account than the mutual funds whose sponsors make revenue sharing payments to LPL. For a complete list of the participating sponsors, and the range of fee payments, please visit LPL.com>Disclosures> Account Disclosures, Agreements, Fee Schedules & Conflicts of Interest>Third Party Compensation and Related Conflicts of Interest.

SWEEP OPTION Your account may provide for a daily sweep in an insured bank deposit sweep program-either LPL Insured Cash Account (ICA) or LPL Deposit Cash Account (DCA)-or a money market mutual fund. The balance in the ICA, DCA or money market mutual fund sweep may be liquidated on the customer's order and the proceeds returned to the securities account, or remitted to the customer. If you have any questions about your sweep option, including rates of the depository institutions currently participating in the sweep option, or you would like to change your sweep option, please contact your financial professional.
